2. During the period 8 March through 14 April 1976, sealed cartons of CIA material numbered 8, 10, 11, and 12, and the carton labelled "Found Documents", were retained by the Review Staff Registry, having been obtained from the Security Records Division in connection with the 8 March 1976 attempt to re-inventory the sealed cartons by members of the HSC staff. Attached hereto is a receipt showing that on 14 April 1976, these cartons were delivered to the Security Records Division.

3. The purpose of this memorandum is to set forth the location and description of the above noted sealed cartons, until such time as a thorough page-by-page inventory can be conducted of the materials within these cartons.
